Our stock is guaranteed true to description, and we will RE¬PLACE WITH THREE any that prove not true. We can make this UNPARALLELED guarantee because of the extreme care we have taken in growing our stock. Any peony is sure to bloom, and will be twenty per cent stronger, if moved in September, so that new roots may form before freezing down. All are listed under colors in the order of their blooming and described as by the American Peony Society.

All shipments are made at the purchaser’s risk, and if shipping instructions are not given we will exercise our best judgment. Can send by parcel post small orders if a sufficient sum is added to cover postage, and any unused balance will be returned.

Any order shipped to one person amounting to $100.00 or more for Peonies and Iris from this folder (except the net peony and Iris list and their collections) will be given a discount of 25 per cent.

TERMS — To new customers, cash with order or payment before shipment is made, or satisfactory reference. No charge for packing.
